Worldgate, llc is pleased to submit this proposal in response to North East Independent School District (NEISD) RFP # 06-20 for Software, Product Support, Annual Renewal of Software Licenses, and Software Consultants III. We relish the opportunity to provide NEISD with highly qualified expert consultants to meet the unique technology needs of your district. From project managers, application developers, technical writers and more, we are confident in our ability to provide NEISD with high quality, professional personnel that you will need to attain the highest long-term value for the years to come. As a highly experienced firm specializing in helping school districts and public sector organizations maximize their technology investments, Worldgate is uniquely positioned to fulfill the requirements of this RFP.

Worldgate is a woman-owned business enterprise and nationally certified by the Women's Business Enterprise National Council, as well as, Women's Business Council- Southwest incorporating San Antonio. While headquartered in Reston, Virginia, we maintain offices in Philadelphia, Atlanta and Houston. In addition, we are an ISO Certified firm founded by executives from Fortune 50 IT organizations and top consulting firms. We have a passion for accelerating the effectiveness of school districts by helping them maximize the return on their technology investments. Leveraging our successful technology modernization, strategic advising and leadership development practices, school districts and public sector organizations can focus on providing equitable learning, teaching and living opportunities for their students, staff and community.

Worldgate acknowledges that finger printing may be required of contractors, and will comply with all requests as stated in Section II. We look forward to the opportunity to work with NEISD on this initiative and are confident in our team's ability to deliver above your expectations.

Thank you for your consideration.

Executive Summary

Since 2002 Worldgate has successfully provided technology consulting, managed services and staff augmentation services to school districts and public sector clients across the country. Our highly satisfied clients include The School District of Philadelphia, Atlanta Public Schools, Prince William County Schools, Arlington Public Schools, and Fulton County Public Schools.

Worldgate is an ideal partner to provide as needed professional information technology services outlined in the RFP for the following reasons:

- *We are industry focused.* We are focused on the supporting the needs of school systems and state and local government agencies. Evidence of our focus includes: 1) a commitment to hiring employees with a passion for supporting K-12 or public sector organizations; 2) a structured training and support program for employees to help them survive and thrive in these environments; and 3) our satisfied and referenceable clients.
- *We are employee focused.* We take pride in recruiting, hiring, developing and retaining people with a passion for supporting school districts or public sector. We retain 80% of our high-quality staff and many of those we do not retain go to work for our clients.
- *We are easy to do business with.* We make it easy to do business with us through a variety of national, state and local procurement vehicles.
- *We are ISO certified.* We were one of the first organizations to adopt the new 2015 Quality Standards and achieve ISO 9001:2015 certified. We are also recognized by BSI, our 3rd party certifier as a quality leader. This means that we have developed successful, repeatable principles and processes that are 100% focused on delivering quality services to our K-12 and public sector partners.
- *We are a small, woman-owned certified business.* As a small, woman-owned business we value diversity and pride ourselves on being agile, flexible, and responsive without the bureaucracy of a larger organization.

We work to help our clients maximize their technology investments through a combination of our aggressive staffing approaches, expert consultants, proven methodologies, strategic partners, and portfolio of service offerings. From planning to implementation and beyond, Worldgate delivers with a high degree of consistency and a focus on customer satisfaction. While we provide technology consulting services across many areas, our specialties include: 1) Enterprise applications readiness consultation; 2) Technology modernization project management and change management support; and 3) strategic staff augmentation.

Worldgate relishes the opportunity to support NEISD with the following comprehensive services:

Strategic Planning

Project Management

Change Management

Business Process Redesign

Training and Documentation

Release Management and Testing

Help Desk and Managed Services

Staff Augmentation
